

KIEFER® OPEN VEHICLE TRAILERS

**This multi-purpose trailer is great for cars, small implements, lawn mowers or whatever you need to haul.**

Owning an all aluminum Kiefer car trailer gives the consumer peace of mind knowing that the all aluminum construction will give you many years of trouble free hauling. With routine maintenance to a Kiefer all aluminum trailer you will not have to worry about rust and other corrosion that will happen on a traditional steel open car trailer. This trailer is available in a 14', 18' and 22' lengths and features 2-3500# rubber torsion axles, 6' long ramps, removable fenders, 4 swivel d-rings and LED lights.
